

YOUR PERSONAL ACTION BOOK

Find Your Footing Again

Climb out of a flat, disconnected stretch — one small step at a time.

Generated Jun 27, 2026 · 90-day horizon

Your 90 days at a glance

Every goal and its checkpoints on one timeline — so you can see how the next 90 days fit together, not as separate plans.

DAY 30 **Mind.** Did one small planned pleasant activity daily for two weeks

Relationships. Reconnected with one old friend

DAY 60 **Mind.** Reconnected with one person or activity I'd dropped

Relationships. Put a recurring social thing on the calendar and kept it twice

DAY 90 **Mind.** More good moments in a normal week than when I started

Relationships. Have a few regular people back in my week

MID-POINT CHECK-IN · AROUND DAY 45

Halfway through, take five minutes and answer these honestly:

1. **What's actually working?** Do more of it.
2. **What's not?** Shrink it until it's easy, or drop it.
3. **What's the one thing** you'll fix for the second half?

Find some lift again

Use small, scheduled action to rebuild energy and moments that feel good.

THE CHALLENGE

Flat and unmotivated — going through the motions

WHY IT MATTERS

With low mood, action comes before motivation — not the other way around.

HOW THE PLAN UNFOLDS

Week 1 Do your first actions and start your keystone habits. The only goal this week is to begin.

Weeks 2–4 Make the routine automatic and repeatable, working toward: Did one small planned pleasant activity daily for two weeks.

Month 2–3 Turn the routine into a result you can point to, working toward: More good moments in a normal week than when I started.

DAY 90 More good moments in a normal week than when I started

KEYSTONE HABITS

One good thing daily

When I plan my day, I will schedule one small thing that usually feels good.

Move my body

After lunch, I will take a 15-minute walk outside.

YOUR FIRST ACTIONS

Make a small-pleasures list

Write down little things that used to lift you, however minor.

Schedule them in

Put one on the calendar each day rather than waiting to feel like it.

Reconnect with one thing

Pick one person or activity you've withdrawn from and re-engage.

TRACK IT · FIRST TWO WEEKS

Check a box each day you do the habit. Copy it for the weeks after.

IF-THEN PLAN

When I don't feel like doing anything, **then** I do a 5-minute version to get moving, not the whole thing.

When I want to cancel or isolate, **then** I keep one small commitment rather than dropping it.

When nothing feels rewarding, **then** I do the planned activity anyway and notice any small shift.

RELATIONSHIPS

Rebuild real connection

Take small, regular steps to reconnect and meet people.

THE CHALLENGE

I feel lonely / isolated

WHY IT MATTERS

Connection is a skill of small repeated reach-outs, not luck.

DAY 90 Have a few regular people back in my week

KEYSTONE HABITS

Weekly reach-out

Every Sunday, I will message one person to make a plan.

Say yes more

When I get an invitation, I will default to yes unless there's a real reason not to.

YOUR FIRST ACTIONS

List people to reconnect with

Write down a few people you've lost touch with but miss.

Send one message this week

Reach out to a single person and suggest a concrete plan.

Join one recurring thing

A class, league, or group that meets regularly to build familiarity.

TRACK IT · FIRST TWO WEEKS

Check a box each day you do the habit. Copy it for the weeks after.

IF-THEN PLAN

When I'm too busy to socialize, **then** I keep it small — one coffee or call counts.

When my circle has scattered, **then** I join one recurring local group to meet people nearby.

When reaching out feels awkward, **then** I send a simple 'been thinking of you, free this week?'.
